Ballot Issues Near End**

OLD GRADS REUNION SATURDAY

PORTERVILLE, October 30 — There'll be new life in the old grads when Porterville College Alumni association holds its eighth annual reunion at the Porterville Elks lodge Saturday evening.

Vic Slayman of Lindsay, association president, said the festivities will begin with a social hour from 4 to 6 p.m. at the Elks club, where alumni will register. A buffet supper and short business meeting will follow, after which the old grads will attend the C.O.S.-Porterville College football game at 8 p.m. A reunion dance at the Elks club will follow the game.

Slayman said several hundred alumni of the school are expected to attend. Special attention will be paid to the class of 1934, which will be marking its 25th year reunion.

Among the projects of the association this year have been the provision of scholarships. The two winners in June at Porterville High school currently are attending the local college as business administration and pre-medicine majors.

INDEPENDENT OLIVE GROWERS INCORPORATING

LINDSAY, Oct. 30 — Independent Olive growers who last month banded together to bargain for higher prices from canners, now have a formal organization.

Richard Thompson, Lindsay attorney, has corporation application ready for submission to the secretary of state; Independent Olive Growers of California has been chosen as the organization title. The mutual benefit of independent olive growers is the purpose of the group.

AWARDS TO BE GIVEN; ALL-STARS TO BE NAMED AT ANNUAL COUNTY-WIDE 4-H ACHIEVEMENT NIGHT SATURDAY, VISALIA

By John A. Emo, 4-H Farm Advisor

VISALIA, Oct. 30 — Outstanding 4-H members and leaders who have served five years and longer in Tulare county will be honored at the annual county-wide 4-H Achievement night, Saturday, November 1, at the Municipal auditorium in Visalia.

The event will start at 7 p.m. with a dessert session which will

FOUNDATION TO ELECT OFFICERS

PORTERVILLE, Oct. 30 — Directors of the Porterville Civic Development Foundation are meeting tonight, 8 o'clock, at the Rockwell Manufacturing company plant to elect officers for the coming year.

The Foundation was originally established to handle the financing of the Rockwell plant in Porterville.

PORTERVILLE, Oct. 30 — A slam bang, fussin' and feudin' campaign will be brought to an end Monday night, and voters of Tulare county and California will go to the polls Tuesday to elect an entire set of state constitutional officers and to vote on 18 special ballot propositions.

A heavier than usual vote for an off-year general election is being predicted, since the hotly contested race for governor, between William F. Knowland and Edmund G. Brown, the equally hot controversy over Proposition No. 16 concerning taxation of school property of religious and other non-profit organizations, and the red hot Proposition No. 13 involving right to work are all calculated to get heavy turnouts from partisan groups and special groups.

Other hotly contested races are for the United States Senate, in which Goodwin J. Knight is opposed by Clair Engle, and the Tulare-Kings county Assembly race in which Incumbent Myron Frew is being opposed by County Counsel Ralph Jordan.

Other "local" race concerns

KNOWLAND IN COUNTY NOVEMBER 3

PORTERVILLE, Oct. 30 — Bill Knowland will again come into Tulare county in his campaign for governor of the state of California, making his final appearances during a swing through the valley Monday, November 3.

Taking to the air in the modern version of the "whistle stop" campaign, Knowland will arrive at the Tulare airport at 11:10 a.m.; he will be met there by a caravan of cars and taken on a swing through Tulare, Farmersville, Exeter, Lindsay, Strathmore and Porterville.

His schedule will not permit stops in any town, however, he will speak briefly at the Porterville airport, where his plane will meet him, before taking off for Delano and Wasco.

PRODUCTION CREDIT HAS NEW OFFICE

PORTERVILLE, Oct. 30 — New field office for the Visalia Production Credit association has been opened in Porterville at 213 Mill street, it was announced this week by Leon Wilcox, director of the farmer-owned credit association.

In charge of the office is Irwin Boone; hours will be daily from 8:30 a.m. until noon, with other times available by appointment.

Wilcox states that the association is now observing its 25th year of operation in the field of short term farm credit. The association, he says, has grown to a membership of approximately 1,500 farmers and stockmen in Tulare and Kings counties, a good percentage of whom reside in southeastern Tulare county.

Visalia Production Credit association has been completely member owned since 1946, and has been a source of credit for all types of crops and livestock operations, Wilcox says.

Nelson Grand Marshal; Miss Stiner Honorary Grand Marshal Of Parade; Memorial Service Is Set November 9

PORTERVILLE, Oct. 30 — J. Claud Nelson has been named grand marshal of the 1958 Homecoming parade, November 11, and Miss Ina Stiner, honorary grand marshal, as members of veterans' committees met Monday night to pin down plans for the 40th annual Veterans' Homecoming in Porterville.

Nelson, whose family came to the Porterville community in 1880, was born on the ranch that he still owns eight miles west of Porterville; he attended the old Rocky Ford school; he served in World War I, and has been active in community affairs through the years.

Nelson was named after Congressman Harlan Hagen, who the committee had previously an-

Past Commanders' Dinner Tonight

PORTERVILLE, Oct. 30 — Past commanders of Porterville Post No. 20, The American Legion, will hold their traditional dinner tonight at the Legion hall, to "build up steam" for the Homecoming celebration, November 11. Speaker will be Harold Dyar, of Delano, past district commander.

Sharp Eye, Sharp Hand Gets Turkey

PORTERVILLE, Oct. 30 — A sharp eye — or a sharp hand — gets you a turkey at annual Turkey shoot sponsored by the Southern Tulare County Sportsmen's association at the Rocky Hill range, east of Porterville on the old Springville highway, Sunday, November 2.

DUCOR COMMUNITY CENTER CONSTRUCTION WILL START AS SOON AS PLANS APPROVED

DUCOR, Oct. 30 — Construction of the new Ducor Community Center will start just as soon as final plans are approved, it was stated Tuesday evening following a meeting of the building committee held at the A. J. Zimmerman home.

Mrs. A. J. Zimmerman, chairman of the finance committee, states that plans have been virtually completed and that actual construction will be underway in the very near future.

She says that her committee has raised \$11,928.65 toward a budget of \$16,000, but that many potential contributors have not as yet been contacted.

Working on the building committee are: Jim Carlisle, representing 4-H clubs; Joaquin Parsons, Farm Bureau; Henry Owen, Ducor Baptist church; Mrs. Walter Owen and Mrs. Harold Leming, Ducor Parents' club; Mrs. Ector Grigsby, Ducor Women's club; Mrs. Carl Johnson, president of the Women's club.

Handling special committee jobs are: Mrs. Carl Hinton, publicity;

1871 Diary Featured In Progress Edition

PORTERVILLE, Oct. 30 — Annual Progress Edition of The Farm Tribune — that you will receive next week — will feature reproduction of the 1871-72 diary of William Gordon, early-day Porterville business man.

With the diary will be a reproduction of a tintype taken on Porterville's Main street in 1878, showing Mr. Gordon and his daughter, Mrs. Gertrude Oldham, who now resides in Springville; we will also reproduce several old advertisements, taken from Mr. Gordon's scrapbook that dates back into the 1860s.

In addition, next week's Progress Edition will include a number of historical pictures, a run-down on the 40th Annual Veterans' Homecoming program that is set for November 11, and other interesting information about the present and the past.

Watch for your next week's Tribune — we think you'll be particularly interested in it.

"TEAHOUSE" OPENS FRIDAY ON BARN STAGE

PORTERVILLE, Oct. 30 — "Teahouse of the August Moon", opens Friday night at Porterville's Barn theater, directed by Jack Booch, and with stage extended 15 feet to accommodate a variety of "extras" that include a jeep, loaded with Okinawans, bundles, and Lady Astor, a goat.

Principal players in the cast include: Chuck Hargis, Virgil Moore, Nancy Delk, Jim Hurst, Clarence Newman, Booch, Blaine Graham, Gifford Newman, Jo Stoker, Vince Pasion and LeRoy King. Curtain time is 8:15 p.m.; the play will run Friday and Saturday nights for three weekends.

Shooting starts at 9 a.m. and will continue throughout the day; food and drinks will be served on the grounds; proceeds from the shoot go into the Sportsmen's association program.

For the sharp eye there will be trap shooting and .22 rifle competition.

VOTE NEXT TUESDAY

It's your privilege to vote next Tuesday, November 4.

Please use that privilege, please understand in your own mind why you are voting for individuals and propositions, please use your own good common sense to make up your own mind.

Your vote is important, for it is possible, in fact likely, that next Tuesday men and issues will stand or fall on a state majority equalling no more than one, or two or three votes per precinct in California.

Your vote is important; your privilege of voting is important. Vote Tuesday, November 4.

Nelson

nounced as grand marshal, stated that he could not accept because of a probable tour of duty as a reserve officer in the U.S. Army.

Miss Stiner, who was named as Porterville's Woman of the Year two years ago, is a retired teacher who has lived in the community for nearly a half century, and who has compiled, edited and published two works on Porterville history.

Celebration committee members also heard a report from Police Captain Francis Torigan, concerning the handling of traffic on November 11; reports were heard on celebration dances — the grand ball will be held at the Green Mill the night of November 11; the Guadalupe Society will also hold a Mexican-American dance that night at the Women's club and the Women's Circle of the society will use the VFW hall for a similar dance.

On Saturday, November 8, general Homecoming committee will sponsor a dance at the VFW hall, with music by the Valley Rhythm Boys, the orchestra that will play for the Grand ball, November 11.

Rev. Ragnar Kjeldahl told of the Memorial service that will be held at the First Christian church, at 8 p.m., November 9; the Rev. Charles M. Brandon is also assisting with arrangements.

Other events of the Homecoming celebration include the free morning parade that will move down Main street at 10 a.m.; the reunion of pioneers of the community that will be held during the day; and entertainment at the Memorial auditorium the evening of November 10.

OUR TOWN

By Gardner (Bud) Wheeler

MANY OF THE CITIZENS, 'round and about our town have been discussing the weather this fall. Now, discussing the weather does not fall in the class of news, but one and all agree that it has been a very mild and warm fall. My friend, the amateur weather expert, has been making funny noises about high and low pressure areas and one thing and another to explain all this, but he has expertly missed the whole problem. That's the way experts are.

ACTUALLY, THE EXPLANATION IS very simple. This is an election year, and the amount of hot air that has been generated and tossed to the winds by the politicians, has created a virtual tropic zone hereabouts. Promises, charges and counter charges are flying about in every direction and have created a very high pressure area indeed. Some of the best comedy on TV has been produced by ambitious campaigners, and the radio stations are having trouble even sandwiching in their commercials among the hot air blurs.

IT IS FORTUNATE THAT elections do not occur too often, because the long suffering public is being practically sand bagged by all the off key racket. Smarter members of the community are now wearing cotton in their ears; not as a subsidy on cotton, but to cut the din somewhat. One even took to wearing blindfolds. From his hospital bed, he assured us that maybe it wasn't too smart an idea. Needless to say, we find there are excellent reasons to vote "yes" on every proposition. There are also excellent reasons to vote "no" on every proposition. This about cancels out the propositions, and Election Day the voter's choice will probably be dictated by what he had for breakfast. So much for hot air and elections.

ALONG ABOUT THE LAST day in October each year there reoccurs a proposition called "Hollowe'en" (note that apostrophe). If memory serves us right, this used to be the occasion for a modified form of delinquency. Only we hadn't heard of the word in those days. Many strange things occurred during such nights, and the mortified public would awake the following morning to scenes that looked like the wake of a small scale tornado.

SINCE THOSE DAYS, we have become a very social conscious society indeed, and such goings on would be viewed with great alarm nowadays. Thinkers would decry such behavior with very fancy

words like maladjustment, repression, thwarted desires, fixations, etc. Whereas in the old days it was neatly summed up by the expression, "Some one sure raised hell". So we progress. Indication of this is the quaint form of blackmail called "Trick or treat"; usually pronounced "trickertreat". Now well-adjusted children ring the doorbells 'round and about the

neighborhood and ask for hand-outs under threat of a trick if none is forthcoming. Be it said, that we have become so civilized that they don't realize the threat and rarely pull a trick. Sometimes we wonder if the "hell raising school" didn't furnish a little more zing in life than the "trickertreat school".

Retarded Children Association Plans Fund Raising Drive

PORTERVILLE, Oct. 30 — The Porterville Association for Retarded Children, Edmund R. Cook, president, held its monthly meeting at the Lillian B. Hill school Thursday evening, members discussing the annual fund-raising drive, starting November 16 and running through the 26th.

Open house will be held at the Sheltered Workshop, located on Walnut Street on the Olive Street School campus, in the afternoon of November 16, from 2 p.m. to 5 p.m. Everyone is cordially invited.

Howard Beard, former superintendent of elementary schools of Porterville, gave an account of the founding of the Lillian B. Hill school.

Mrs. Phyllis Hawkins, treasurer of the association, announced that a Sunday school has been organized for the retarded and is now being conducted each Sunday morning at The First Lutheran church.

BETTER MALTING BARLEY STRAIN RESEARCH GOAL

DAVIS, Oct. 30 — Barley research at the University of California, Davis, is being intensified with the help of a \$10,000 grant from the Malting Barley Improvement association.

The grant made by this national organization of maltsters, malting brewers, and U.S. Brewers foundation, will expand work that has been under way for several years to develop western barleys with a wider range of malting characteristics that will meet the demands of the entire industry, said Charles W. Schaller, associate professor of agronomy. He and U.S. Department of Agriculture Agronomist Coit A. Suneson have several objectives, including adding certain midwestern qualities to western malting barley and adapting midwestern varieties to California growing conditions, as well as further agronomic improvement of Atlas and Winter Tennessee, both western varieties.

In order for cheese to develop its fine characteristic flavor it is necessary for it to age. In some varieties this may take several months.

Barnes Resigns As Secretary Of Taxpayer Group

PORTERVILLE, Oct. 30 — Resignation of Max Barnes as executive secretary of the Tulare County Taxpayers' association was announced today by Ted Cornell, of Porterville, president of the association. Barnes' resignation becomes effective October 31.

In presenting his resignation to directors of the association, Barnes said that he plans to devote full

time in the future to his private business operations.

Cornell states that Domer F. Power, Lindsay rancher and vice president of the association, will take over the duties of executive secretary on a temporary basis.

A special meeting of Taxpayer association board members will be called shortly after the first of the month to plan activities of the association under the new arrangement, Cornell said.

A Porterville man you'll like to know HOWARD E. BRITTELL

A familiar figure on local golf fairways is Howard E. Brittell, 917 West Bellevue—for 6 years he was chairman of the Porterville City Recreation Commission.

Golf is Howdy's favorite recreation—although for more vigorous exercise he leans toward going after marlin and sailfish off Mexico.

But actually, there's little time for that in Howdy's busy life, for business and civic duties have first call. A charter member and past president of the Porterville Kiwanis Club, Howdy is also an Elk, a Mason, and a member and past director of the Tulare-Kings Counties Life Underwriters Association.

Howdy is a family man, too. He and wife Margaret have a daughter, Peggy (4).

A Nebraskan who graduated from the University of Colorado ('39, B.S. cum laude, business), Howdy's lived in Porterville 14 years.

He joined Pacific Mutual Life Insurance Company in 1950. Today he's friend and insurance advisor to families throughout Porterville and the farm area surrounding.

Howdy is truly an insurance expert. In becoming a "Top Star" in Pacific Mutual's Big Tree Leaders Club, he qualified 6 times for industry-wide National Quality Awards.

Because Howdy represents Pacific Mutual—with its wide range of modern, flexible insurance plans—he can provide personal, family or business protection truly suited to your need—and your budget. You'll find him friendly, competent—a specialist—and a man you'll like to know.

Howdy Brittell is a Porterville representative of the Charlton G. Standeford Agency (Fresno). His business address is 917 West Bellevue. Telephone him at SUNset 4-7227.

Secure an official entry blank from any Tuesday Bonus store and complete this sentence in 25 additional words or less: "I trade with Tuesday Bonus merchants because....."

Entries will be received at Tuesday Bonus stores. All entries will be judged each week and the person who, in the opinion of the judges, has submitted the best entry, will be declared the winner and will receive \$5. In the event of a tie, duplicate prizes will be awarded.

A Tuesday Bonus representative will call at the home of a winning contestant, or phone, the evening of each Tuesday Bonus day, between the hours of 6 and 7 and will award a \$5 prize. If the contestant is not at home, he may call at The Farm Tribune office and receive his \$5 award.

If the winner is at home to receive his \$5 prize and can produce proof of purchase or payment on account that Tuesday Bonus day, (The latter to be from an individual store, in the amount of \$5 or more, unless stated "balance of account") from a Tuesday Bonus store or stores, then he is eligible for a bonus award according to the following schedule:

If sales slips amount to more than \$5 he will be awarded the entire bonus.

If sales slips amount to less than \$5 he will be awarded one-half the entire bonus.

Whatever part of the award that is not awarded in any week, will be added to the next week's bonus. The \$5 prize for the best entry will be paid regardless of whether the winner has a sales slip or not.

Entries will be judged principally on the basis of their sincerity and quality of thought. All entries become the property of Tuesday Bonus merchants and the decision of the judges is final.

Employees of The Farm Tribune and their immediate families are not eligible to enter the contest. Owners and employees of Tuesday Bonus Stores can win the additional awards only on sales slips from stores other than that with which they are connected.

VISALIA — The Prohibition Party of Tulare county held a meeting at the Christian church yesterday. Elias Tout was nominated as the Prohibition candidate for Assembly.

Darius Pratt, of Porterville, secured a license in the early part of this week to wed Ada Irene Duncan, of Porterville, and requested the county clerk to keep the matter quiet until Saturday.

PORTERVILLE — D. E. McKinley will address the Republicans of Porterville on Tuesday evening.

W. M. DeWitt, Forest L. Alford and R. Mills will address the Democrats of Tipton on Tuesday. Mills is the Democrat candidate for Assembly in the 64th district.

A few farmers have started plows breaking up land for a wheat crop, and others are getting ready to do so.

Democratic speakers for Bryan

and Stevenson will address the citizens of the following communities on these dates: Poplar, October 11; Porterville, October 13; Woodville, October 16; Pixley, October 19.

"Brave Little Tailor" Coming In Puppet Show

PORTERVILLE, Oct. 30 — "The Brave Little Tailor", based on the Grimm Fairy tale, will be presented by the Lesselli Marionettes at the Porterville Veterans' Memorial auditorium Saturday, November 22 at 11 a.m. under sponsorship of the Porterville branch of the American Association of University Women.

The program, designed for both children and adults, will be handled by Puppeteers Les and Ellie Heath, of San Rafael. Tickets for the show will be available through local association members; funds raised will go to the national fellowship and building fund of the association.

County Civil War Resumes Saturday As COS Giants Invade Porterville For Homecoming Game With Pirates

PORTERVILLE, Oct. 30 — The football stadium at Porterville college is expected to be jammed Saturday night when Coach Harry Kane's Pirates host the College of the Sequoias Giants in Tulare county's annual "civil war" game.

A number of sidelights will add interest to the always crucial rivalry between the two teams.

At stake will be the Tulare County Board of Supervisors' trophy for the winner, first won by Porterville two years ago and held for the first time by COS after its victory last season.

Another "plum" for the winner may be an invitation to be the host team in the annual Olive Bowl football game at Lindsay on Thanksgiving Day, possibly against an out-of-state opponent.

Porterville will receive added inspiration because it is homecoming night for members of the Porterville College Alumni association who will attend the game between a buffet dinner and a dance.

The two teams will come into Saturday night's game with almost identical records, both in league play and in non-conference games. The Pirates and Giants are tied for second in the Central California Conference behind Fresno with 3-1 marks. Porterville has won from Reedley, Coalinga and Hancock and lost to Fresno. In non-conference play, the Giants lost to Monterey Peninsula and Mt. San Antonio, while the Pirates dropped games to Hartnell and Los Angeles Harbor.

Comparative scores against mutual opponents show little difference between the two teams. COS defeated Coalinga 24-16, topped Reedley, 19-6, and walloped Hancock, 52-8. Porterville scored a 32-0 victory over Reedley, edged Coalinga by a 26-24 score, and humbled Hancock, 55-7.

Coach Dick Jacobson, in his first year as head coach at Sequoias, has come up with a tough ball team operating from a wing-T formation. Sophomore quarterback Bill Baird is both a passing and running threat while the "touch-down twins" from Mt. Whitney High school — Jack Acker and Larry Todd — give the Giants an explosive running game.

Kane is hoping his Pirates will bounce back from their 19-6 loss to Taft last weekend. He said the Porterville team was not "flat" but was merely given a lesson in basic football by Coach Bob Hoffman's Cougars. "They had us defended perfectly," Kane said, "and on offense they were able to move our line backward on every charge."

The only bright spot of the Taft

game was that no injuries developed. Dick Buckner, husky guard from Wasco, probably will miss the COS game with a knee injury picked up against Reedley.

Otherwise, Kane plans to start his regulars, including Jim Simpson and Rich Lemas at ends, Larry Moss and Doug Weisser at tackles, Larry Cullen and Jerry Prine at guards, John Ferzacca at center,

George Lewis at quarterback, Jim Huey and Jim Boyett at halfbacks, and Phil Simonelli at fullback.

Burton Club Members Enjoy Hayride Saturday

BURTON, Oct. 30 — Members of the Burton 4-H club enjoyed a hayride and wiener roast Saturday night, and, at a meeting earlier in the week, conducted a regular business session.

The club decided to prepare a window display for Homecoming, rather than to build a parade float; Dick Pratt reported on the recent Tulare County Cattlemen's banquet at which two Burton members received awards — John Sunderland, for showing the grand champion steer at the 1958 Porterville Fair, and Bob Nuckols, for showing the grand champion 4-H steer at the Tulare Fair; a rag drive was announced for the next meeting.

Officers conducting the recent meeting were: Gary Crabtree, president; Linda DePaoli, vice president; Pam Shires, secretary; Bob Nuckols, treasurer and Dan Nuckols, reporter.

YOUR LEGISLATOR AT WORK!

Senator
J. Howard Williams
32nd District
California State Legislature

Possible reorganization of state government in the interests of greater economy is an important topic which the Assembly committee on governmental organization now is considering. The prospects of a state deficit of more than \$200 million at the end of the current year is causing your legislators to explore thoroughly every suggestion which could produce savings in state costs.

Also under study are some proposed budget reforms, designed to give the Legislature greater control over appropriations for various functions. At present, more than two-thirds of the \$2 billion budget is fixed either by the Constitution or continuous statutory appropriations. In addition, special funds financed from earmarked revenues such as hunting and fishing and other licenses are practically exempt from legislative supervision. As a result of these two facts, the committee was informed, only about one fifth of the total budget is subject to complete control.

In the interests of economy, both the legislative analyst and the department of finance recommended to the committee that greater control over expenditures be restored to your law-makers. Pointing out that governmental "fixed charges" fall into two major categories, contractual or moral obligations, and charges fixed by statute chiefly to avoid annual legislative review, spokesmen suggested as a basic change that all fixed charges except those relating to state bonds be removed from the Constitution.

Also proposed was that many of the statutory fixed charges be removed from law in order to leave decisions concerning the functions they finance to the Legislature. Still another idea advanced was that certain earmarked revenues be transferred to the general fund so the programs they support could "take potluck along with other controllable costs."

Anticipating fears that such financial changes might reduce or otherwise damage state functions now protected by fixed charge legislation, witnesses said that there can be no reason to assume that the Legislature would deal more harshly with programs protected by fixed appropriations than it would with allied functions not so guarded. It was pointed out that certain expenditures

Vaccination For Fowl Pox Is Recommended

By W. F. Rooney
Farm Advisor

VISALIA, Oct. 30 — Natural outbreaks of fowl pox, a common poultry disease during the late summer and fall months in chickens and turkeys, are showing up in Tulare county; usual symptoms consist of wart-like growths on the comb and wattles.

In young poultry fowl pox lesions frequently involve the eye. This disease can cause a heavy loss in egg production and may also result in come loss of young birds. Vaccination will prevent this disease.

Vaccination is easily performed by sticking each bird in the web of the wing or in the thigh with a needle previously dipped in vaccine. One vaccination gives a chicken life-long immunity and a turkey about six months immunity. A "take" consists of a scab or swelling about ten days following the vaccination.

The preferred age for vaccinating is 8 to 14 weeks, but because of its prevalence in the late summer and fall, vaccinating at a younger age is advised. Fall chicks are often vaccinated before they are two weeks of age, and with care, may be given day-old vaccination in the flank.

After a flock of pullets has reached 15 to 20% egg production it is too late to vaccinate without

represent moral obligations on the part of state government. Other agencies and even individuals must be able to depend on the fact that such obligations will be met.

Debt service costs, school support, social security, maintenance of the university and colleges, mental and correctional institution costs were mentioned as examples of items that could not possibly be overlooked by the Legislature.

In addition to reforms in budgetary law, the legislative analyst also recommended establishment of a unified state department of revenue as a step in the direction of trimming state costs. He estimated that savings from such a consolidation might be as much as \$3 million per year. The idea is not new, but bills to carry it out have failed in several previous sessions.

The interim committee indicated that it plans to draft specific proposals along several lines to aid in eliminating the expected multimillion deficit. They will be submitted to the Legislature when it convenes in January.

a drop in lay. Mosquitoes are known to be carriers of fowl pox. Only flocks in good health should be vaccinated.

L. A. ROZZONI, FARM BUREAU HEAD, SAYS "YES ON 18" WILL HELP FARMERS AND UNION MEMBERS IN CALIFORNIA

BERKELEY, Oct. 30 — "There is no closed shop in agriculture — why is it necessary among labor unions?"

The question was asked in a speech this week by L. A. Rozzoni, president of the California Farm Bureau Federation, in Berkeley.

"Any one may farm or not, as he chooses," Rozzoni pointed out. "Any farmer may join or not join the California Farm Bureau Federation, as he pleases. Our organization is the largest farm organization in the state and we have no check-off, no compulsory membership; yet our membership is now at an all-time high. Farmers join for the benefits they may receive from united action.

"They tell our officers and directors what they want done. If it isn't done, they get new officers, or quit the organization.

"That is the American way.

"Farmers favor Proposition #18 because they feel it will put control back in the hands of union members and make union leadership responsible and responsible to the membership.

"Many California farmers have faced the loss of their crops when a labor dispute not directly concerning them erupted at the peak of the season," Rozzoni said.

"You can't hold ripe fruit on the tree because a union leader decides to strike a cannery. You can't stop a cow from giving milk because a union leader decides to force a milker to join his particu-

lar outfit. You can't put all the apples in the Sebastopol area in cold storage while a union leader tries to force unionization of part-time packing house employees.

"It doesn't make much difference who wins a strike so far as the farmer is concerned, for he always loses. We believe that passage of Proposition #18 will benefit not only the farmer but the union man as well," Rozzoni declared. "Remember, this action was started by union men in an effort to force decent and sensible union leadership."

TERMINUS DAM BIDS WILL BE OPENED IN SACRAMENTO DECEMBER 16; PROJECT LOCATED TWO MILES FROM LEMON COVE

VISALIA, Oct. 30 — Following very closely on the recent groundbreaking for Success dam on the Tule river, the Corps of Army engineers has released notice that bids for the \$10,000,000 Terminus dam on the Kaweah river will be opened at 2:00 p.m., December 16, in Room 305, Corps of Army Engineers office, Sacramento. This is about three months in advance of the date projected a few months ago.

The proposed location is at Lime Kiln hill about two miles northeast of Lemon Cove, and the estimated cost of the entire project is about \$23,600,000. The dam will be 2,375 feet long, 250 feet high, 1,025 feet wide at the bottom and 25 feet wide at the top. Capacity of the reservoir will be 150,000 acre feet of water, which engineers say would have adequately controlled the December 1955 flood.

The total length of the reservoir site will be four and one-half miles and the lake will cover 1,945 acres. The water will be 194 feet deep at the Dam when filled to capacity, with the spillway being located on the south side.

The minimum pool is planned for 8,000 acre feet of water at the lowest part of the season for sediment storage and other project purposes. This pool may be augmented for recreational purposes by purchase of water from the

Central Valley project.

The Tulare County Planning department is completing plans for the recreation areas of this as well as Success dam which will soon be presented to the county board of supervisors.

The minimum pool of 8,000 acre feet will extend upstream about two miles and will cover approximately 400 acres, with a depth of 38 feet at the dam.

While the Corps of Army engineers has not announced the time for completion of this dam, 1,200 days are specified for the completion of the contract.

ACTION IN REM TO DETERMINE THE VALIDITY OF THE ORGANIZATION OF THE DISTRICT AND OF THE AUTHORITY TO MAKE AND EXECUTE A CONTRACT AND THE VALIDITY THEREOF

In the Superior Court of the State of California In and For The County of Tulare

TEA POT DOME WATER DISTRICT, a California water district, Plaintiff,

vs.
ALL PARTIES AND PERSONS HAVING OR CLAIMING TO HAVE ANY INTEREST IN THE APPROVAL AND CONFIRMATION OF THE PROCEEDINGS FOR THE ORGANIZATION OF THE TEA POT DOME WATER DISTRICT, AND ALL PARTIES AND PERSONS IN ANY WAY INTERESTED IN THAT CERTAIN CONTRACT DATED OCTOBER 23, 1958, ENTITLED "CONTRACT BETWEEN THE UNITED STATES AND THE TEA POT DOME WATER DISTRICT PROVIDING FOR WATER SERVICE AND FOR THE CONSTRUCTION OF A DISTRIBUTION SYSTEM" MADE BY AND BETWEEN THE UNITED STATES OF AMERICA AND THE SAID TEA POT DOME WATER DISTRICT, THE EXECUTION OF WHICH WAS AUTHORIZED AT AN ELECTION IN SAID WATER DISTRICT ON OCTOBER 21, 1958, AND THE PROCEEDINGS LEADING UP TO AND INCLUDING THE EXECUTION AND DELIVERY OF SAID CONTRACT AND ALL PARTIES AND PERSONS HAVING OR CLAIMING ANY RIGHT, TITLE OR INTEREST IN OR LIEN OR CLAIM UPON OR AGAINST THE PROPERTY WITHIN SAID DISTRICT OR ANY PART THEREOF AND ALL REAL PROPERTY WITHIN SAID DISTRICT. Defendants.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO:
ALL PARTIES AND PERSONS HAVING OR CLAIMING TO HAVE ANY INTEREST IN THE APPROVAL AND CONFIRMATION OF THE PROCEEDINGS FOR THE ORGANIZATION OF THE TEA POT DOME WATER DISTRICT, AND ALL PARTIES AND PERSONS IN ANY WAY INTERESTED IN THAT CERTAIN CONTRACT DATED OCTOBER 23, 1958, ENTITLED "CONTRACT BETWEEN THE UNITED STATES AND THE TEA POT DOME WATER DISTRICT PROVIDING FOR WATER SERVICE AND FOR THE CONSTRUCTION OF A DISTRIBUTION SYSTEM", MADE BY AND BETWEEN THE UNITED STATES OF AMERICA AND THE SAID TEA POT DOME WATER DISTRICT, THE EXECUTION OF WHICH WAS AUTHORIZED IN AN ELECTION OF SAID WATER DISTRICT ON OCTOBER 21, 1958, AND THE PROCEEDINGS LEADING UP TO AND INCLUDING THE EXECUTION AND DELIVERY OF SAID CONTRACT, AND ALL PARTIES AND PERSONS HAVING OR CLAIMING ANY RIGHT, TITLE OR INTEREST IN OR LIEN OR CLAIM UPON OR AGAINST THE PROPERTY WITHIN SAID DISTRICT, OR ANY PART THEREOF AND ALL REAL PROPERTY WITHIN SAID DISTRICT.

You are hereby directed to appear in the action brought against you by the above-named plaintiff in the Superior Court of the State of California, in and for the County of Tulare, and entitled as above, and to answer the complaint within ten days after the full publication of this summons, which said period of ten days will expire on the 25th day of November, 1958.

You are further notified and advised that the plaintiff in and by said complaint seeks to have the Court examine all the proceedings for the organization of the Tea Pot Dome Water District and all proceedings leading up to and including the execution and delivery of that certain contract between the United States of America and the Tea Pot Dome Water District, dated October 23, 1958, and entitled "Contract Between the United States and the Tea Pot Dome Water District Providing for Water Service and for the Construction of a Distribution System", under the terms of which contract, and upon the terms and conditions therein stated, the United States of America agrees to furnish a supply of water to the said district and to design and construct a distribution system for the said district, a copy of which said contract is annexed to the complaint filed herein, and to examine the terms and conditions of said contract, and upon and after such examination to approve and confirm as valid the organization of said district and all the proceedings leading up to and including the execution and delivery of said contract, and to approve and confirm all the terms and provisions of said contract.

You are further notified that, upon your failure to appear and answer said summons within the time herein specified, plaintiff will apply to the Court for the relief demanded in said complaint.

Given under my hand and seal of the Superior Court of the State of California, in and for the County of Tulare, this 24th day of October, 1958.

CLAUDE H. GRANT
County Clerk and Ex-Officio Clerk of the Superior Court of the State of California in and for the County of Tulare.

LEGAL NOTICE

NOTICE TO CONTRACTORS

Notice is hereby given that the Board of Supervisors of the County of Tulare will receive bids for the construction of a Three Truck Fire Station with living quarters attached to be located in the community of Springville, Tulare County, California, in strict accordance with the plans and specifications on file in the office of the Architect, James F. Lockett, 121 East Main Street, Visalia, California and the office of the Clerk of the Board of Supervisors in the Tulare County Courthouse in the City of Visalia.

Bids shall be submitted on forms prepared by and which may be obtained from said Architect and must be accompanied by a bidder's bond or certified check for not less than ten per cent (10%) of the amount of the bid, payable to the County of Tulare. The above mentioned bidder's bond or certified check shall guarantee that in the event the bidder is awarded the contract he will enter into said contract and furnish the required bonds and insurance within fifteen (15) days after the award of said contract. In the event the bidder refuses or fails to execute said contract and furnish the required bonds and insurance, the use by the County of the project will be delayed and the County will suffer great damage, but because of the nature of the construction it would be extremely difficult and impractical to fix said amount of damage. Therefore, the bidder shall, by submitting said bond or certified check, be deemed to agree that said sum shall be paid to the County of Tulare under the conditions set forth hereinabove as liquidated damages and not as a forfeiture.

Bids and accompanying documents shall be sealed in an envelope marked "Bid, Springville Fire Station, Springville, California", and placed in the possession of the Clerk of the Board of Supervisors at the Tulare County Courthouse not later than 2:00 P.M., November 18, 1958, at which time the bids will be opened and read publicly.

The successful bidder shall furnish a Labor and Materials Bond to the County of Tulare in the amount of not less than fifty per cent (50%) of the contract price, and a Faithful Performance Bond in favor of the County of Tulare in the amount of one hundred per cent (100%) of the contract price, said bonds to be issued by a surety company satisfactory to the Board of Supervisors, County of Tulare. The successful bidder shall give satisfactory proof to said Board of Supervisors of the maintenance of public liability insurance in an amount not less than \$200,000.00 for one person injured in any one accident, and not less than \$300,000.00 for more than one person injured in one accident, and the maintenance of property damage insurance in an amount not less than \$50,000.00.

The Board of Supervisors prefers that all bonds and insurance required to be furnished under said contract shall be secured from agents located in the County of Tulare.

Pursuant to section 1773 of the Labor Code of the State of California, said Board has ascertained the general prevailing rates of per diem wages and for legal holidays and overtime work, in the locality for each craft or type of workman needed to execute the contract and not less than which rates the contractor to whom the contract is awarded and any subcontractor under him shall pay to all workmen employed in the execution of the contract, and said wage rates are set forth in Exhibit "A" attached to the Agreement which is on file in the office of the Architect and the office of the Clerk of the Board of Supervisors. Said wage rates are incorporated herein by reference to the same effect as if fully set forth herein.

The Board of Supervisors reserves the right to reject any and all bids, and/or waive any informality in any bid, and/or determine in their discretion the responsibility of any bidder, and which bid is most advantageous to the County.

Unless otherwise required by law, no bidder may withdraw his bid for a period of thirty (30) days after the date set for the bid opening.

Dated: October 21, 1958.
BY ORDER OF THE BOARD OF SUPERVISORS OF THE COUNTY OF TULARE, STATE OF CALIFORNIA.

Fall is still with us, Halloween has arrived, the leaves are dropping fast, and you should "get with it" while the weather is still decent. If nothing else you should rake the leaves in a big pile, get them burning, then stand back and poke a stick at them occasionally. This you can do alone without your husband there to supervise.

This leads up to the fact we have leaf rakes, patio brooms, garden carts, and all sorts of helpful stuff every wife should have. We also have garden gloves to keep your hands clean in case the neighbors invite you over for coffee.

While this is a poor time to mention trees, with so many leaves to be raked, we have to mention trees for fall color. We suppose as long as you have to rake leaves you might as well rake pretty ones and we have some to sell. These include Liquidambar, Tulip Trees, Dogwood, Ginkgo, Pistachio, and Scarlet Oaks. There are other trees and shrubs of fall beauty and a tour of our joint will disclose many worthwhile specimens. Even if you're not buying they are pretty to look upon.

Other fall tasks include making compost piles, labeling plants, staking trees, light pruning, deep watering, replacing shrubs, and planting bulbs. We hope you'll drop by soon on "E" Street, north of Olive. Lots of free parking.

WHAT DOCTORS SAY ABOUT:

Alcoholism

Q. "Is there any real difference between the social drinker and the alcoholic? Do doctors approve of Alcoholics Anonymous?"—No name.
A. Self-control distinguishes the social drinker and the alcoholic. The social drinker, even though he may drink heavily, can stop any time he chooses. The alcoholic is unable to stop drinking once he gets started. It is not known why this "all or none" law applies to the alcoholic. As for the attitude of doctors toward Alcoholics Anonymous, the President of the New York City Medical Society on Alcoholism recently said, "Without any doubt it (Alcoholics Anonymous) is the most effective of all therapies for those who can and will avail themselves of it."

Answers do not necessarily reflect the opinion of all doctors. The diagnosis and treatment of disease is the function of the patient's personal physician. Questions directed to Dr. J. D. Reiston, Science Editors, P.O. Box 396, Madison Square Station, N. Y. 10, N. Y. will be incorporated in these columns when possible.
